Raunak Jha

I am passionate about learning new tech skills and be updated. I want to work on real-world data and projects. I want to get hands-on-experience on my skills and want to apply my knowledge to the company.

EXPERIENCE

WEB DEVELOPER INTERN 1STOP

Developed responsive web applications using HTML, CSS, and JavaScript to enhance user experience. Collaborated with designers to implement UI/UX improvements ensuring accessibility standards. Assisted in debugging and troubleshooting code issues to maintain website functionality.

DATA SCIENCE INTERN DECODELABS

Completed remote internship at DecodeLabs as Data Science Intern. Utilized problem-solving and analytical skills to conduct EDA, feature extraction, data cleaning, data preprocessing, and model evaluation.
